

## Theme map Historic Veldhoven-village, within the village

## **Historic Veldhoven-village, within the village (length approx. 3 km)**

During this tour, on foot or by bicycle, through the village centre, you can get acquainted with the stories about the buildings and places that are meaningful to the history of Veldhoven-village.

The walk takes you past three rectories, a notary's house and a brewery.

In contrast to the other small villages that make up the municipality of Veldhoven, Veldhoven-Village has been able to maintain a flourishing shopping district and has a well-represented hospitality industry.

The attached map indicates a possible route. Feel free to choose your own route, there are no restrictions.
